June 2018

Dear Harlandale Community Member,

Can you believe another school year has ended and students are now enjoying their summer vacation? Currently, the Board of Trustees and the Superintendent are working together planning for the upcoming school year.

Attached is the 2018-2019 regular school board meeting schedule for your planning purposes. All school board meeting agendas are posted on the front door to the central office, and the District's web page under SCHOOL BOARD, at least 72-hours prior to the meeting per policy BE (Legal). This will allow time for community members to contact their respective board member on any concern they may have on board agenda items. Board members welcome the opportunity to hear from their constituents as they word hand-in-hand with the Superintendent to advocate for the high achievement of all District students. Attached is board member contact information for your use.

Thank you Harlandale community for your support in helping to ensure Harlandale ISD is *Inspiring Students to be the Change* in our city and world.
