

Harlandale ISD Texas ACE Program

What is ACE?

ACE is an exciting program offered to qualifying students through Harlandale ISD in partnership with Communities In Schools of San Antonio and the Boys & Girls Club of San Antonio. ACE is designed to align after school activities with the school day by providing tutoring, homework assistance, and enrichment opportunities. All ACE programs strive to improve academic performance, school day attendance, promote positive behavior, increase graduation and promotion rates, and provide college and career readiness.

The ACE Program is offered at the following Harlandale ISD campuses:

**Adams Elementary
Carroll Bell Elementary
Collier Elementary
Columbia Heights Elementary**

**Gillette Elementary
Stonewall Flanders Elementary
Terrell Wells Middle School
STEM Early College High School**

Program is offered before and after school for students in grades K-12th and is FREE to all qualifying students.
