During this session, we will review timelines, district procedures, and assist you in requesting a retirement packet through TRS. We will also review the documents needed to complete your retirement. If you have already requested your retirement packet, there is no need for you to attend this session.

Due to time constraints, we will not offer additional group sessions.

**If you are unable to attend this session, please contact the Employee Benefits department at 210-989-4420 to schedule an individual appointment.*
