

Frequently Asked Questions??

- **When is construction expected to begin on the projects?** The funds will be distributed over a 10 year period but the first \$50 million will be released this year which will allow us to begin schematic planning for construction to begin on selected items in 2022.
- **What facility is going to be a priority?** The Career and Technical Education (CTE) Building would be in schematic design phases in 2022 - for possible construction to begin this year. The CTE Building will be located across the street from STEM Early College HS.
- **What is different about the multi-purpose building and where is it going to be located?** The Multi-purpose Building will be located near the STEM Early College / Tejada Baseball Complex. The Multipurpose building will be able to host a variety of events ranging from band, choir, mariachi concerts, theatre productions, UIL events, Elementary School concerts and events, graduation ceremonies for Frank Tejada Academy and STEM Early College High School, and robotics competitions to name a few.
- **How can I be a part of a committee to help get bond information out?** You can contact Ms. Mariana Veraza at mariana.veraza@myhisd.net or notify your campus principal that you are interested in taking part of upcoming bond committee meetings.
- **What happens after the election if the bond passes?** If the bond is successful a Bond Oversight Committee will be formed. This Bond Oversight Committee will complete the development of the advisory committee's project recommendations (\$30.4 million) and will work diligently to ensure that all projects and constructions associated with Bond 2022 are being monitored.
