

HARLANDALE INDEPENDENT SCHOOL DISTRICT

Stronger together. Closer than ever.

May 6, 2021

Dear Nurses,

I can't thank you enough for everything you have done this year. I know it has not been easy but you have all gone above and beyond our expectations. Thank you for helping us keep our students safe especially during this very challenging year.

I know many of you have had to adapt to many changes and we have asked many different things from all of you. Not only do you have to accomplish your everyday tasks but this year you had to help us with COVID-19 testing, making sure our students and staff were filling out their self-evaluations, and dealing with all the stress that this pandemic brought us. On behalf of all of HISD, I commend you for your hard work and dedication.

Today is your day to be celebrated and I want you to know that I am extremely appreciative on a daily basis for having all of you as part of the Harlandale ISD family.

"Nurses dispense comfort, compassion, and caring without even a prescription."—Val Saintsbury

Thank you for being the comfort our families need during difficult times. The impact you make on our students, families and staff is much greater than you can imagine.

Again, on behalf of the entire Harlandale ISD family, thank you and happy National Nurses Day and National School Nurses Day (May 12)!

Sincerely,

Gerardo Soto
Superintendent of Schools
Harlandale ISD
